## Short smile captions for instagram selfies

There's only one day a year when people want to see commercials on TV and eat a whole tray of chicken-ball buffalo drink actually counts as dinner: Super Bowl Sunday! While the first Sunday in February is obviously all about football, it comes with some other fun benefits for people who may not be interested in the sport. From trays of delicious Super Bowl appetizers and Super Bowl recipes, to Super Bowl party games and DIY football decorations, there's something everyone can look forward to. All that food and decor will do for some great photos, but before you post that selfie of your game face or a photo of your famous chicken wings recipe on social media, you should come up with a winning Super Bowl Instagram caption that will score the most likes from your followers. Since you'll probably be too busy watching the halftime show though, we did the hard part for you. From football games to smart food talk to the best quotes for a sports movie, all these Super Bowl Instagram captions are complete touchdowns.
